

Arthouse film archives and

Arts/entertainment

► New York's Anthology Film Archives evolved from roots that go back to the early '60s. It's great for cyberspace. www.arthouseinc.com/anthology

► Kratts' Creatures don't roam only around PBS stations anymore. A new Web site offers a clickable map to their habitats around the world. www.pbs.org/kratts

The Net: New and Notable

By Sam Vincent Meddis

► Independent film fans can keep up with developments in the field at the expanded indieWire, including a free e-mail digest, articles by notables and discussions. indiewire.com

► King Features brings its great assortment of syndicated features, including 75 of the world's most popular newspaper comics, to the Web. This could be why browsers were invented. www.kingfeatures.com

► Sometimes the best part of a movie is the soundtrack. You'll find sound clips of some of your favorite films at the aptly named MovieTunes. www.movietunes.com

Educational

► Parents or teachers looking for a model for a school Web site need look no further than Pleasant Grove Elementary in Stockbridge, Ga. It includes everything from teachers' e-mail addresses to cool kid links.

www.gsh.org/schools/USA/GA/PGE5061

► Whether you're looking for a basic multiplication table or something as mind-bending as a "Fourier series," you'll find help at Dave's aptly named Math Tables. A fine way to calculate how little you know about math. www.sisweb.com/math/tables.htm

► Casey's Snow Day Reverse Dictionary bills itself as "the remedy for that tip-of-the-tongue feeling." Type in a definition and you may even get the right word for it. Fun, even though your high school English teacher might not approve. <http://www.c3.lanl.gov:8064/cgi/revdict>

Fun/hobbies

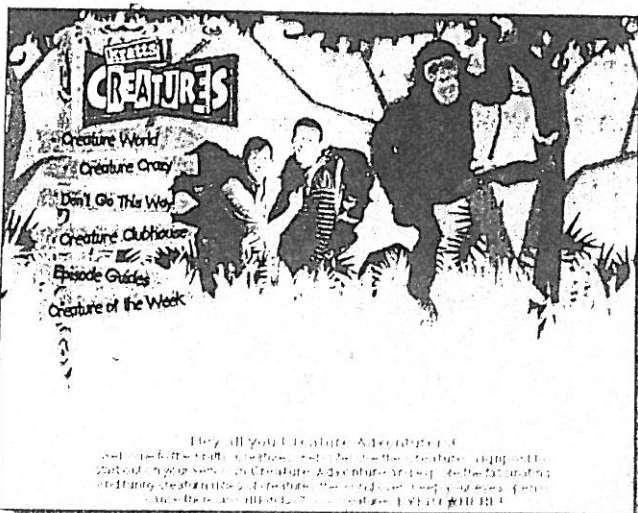

► Encyclopaedia Britannica prepares us for the Olympics in Nagano, Japan, with a Winter Games site that's packed with background on events and athletes. winter.eb.com

► Thinking about checking out your family's genealogy but don't know where to start? Try Cyndi's List. More than 26,100 links organized into 70 categories. www.oz.net/~cyndihow/sites.htm

► Pet of the Day has just one agenda feature: a daily pet story and photo. Your pet can become a star. www.petoftheday.com

► Sift through an alphabet soup of acronyms and see what comes up. A quick, easy and fun database of 43,615 records. www.mtnds.com/al

► If words like "Mocha Java" make you swoon, you'll enjoy a visit to the well-blend-

Cyber 'Creatures': Kratts' Creatures find their way from the popular PBS children's show to the World Wide Web. Featured: A Creature Jake of the Day

The District

School's main website homepage
The page includes a search box and a list of links to various school resources.

School organizer. The Pleasant Grove Elementary School site offers easy access to event calendars, teachers' e-mail addresses and links for kids.

ed Coffee Review site. Caution: Hot! www.coffeereview.com

Oddities

► Given up on the idea of ever getting a life? Try staring down Sally with the "piercing" green eyes. www.stairwell.com/stare

► Da mayor of the Big Apple is taking some big hits over recent pedestrian-automotive vehicle policies. Like this shock-wave game called E-Z Whack. www.nynow.com/toolkit/features/ezwhack

► The Scary Squirrel World site is not just another sophisticate attempt to alert us to this alleged evil around us. It's much worse than that. You've been warned. scarysquirrel.pinkpig.com

Tech

► So you've put up a Web site and think it's pretty cool. SelfPromotion offers to help you tell the world. It's free. selfpromotion.com

► Windows95.com not only gives top-notch tips and tricks, shareware, and bug fixes, it now also delivers free weekly up-

dates via e-mail. www.windows95.com

Useful resources

► You don't have to be a historian to appreciate the U.S. Diplomatic History Resources Index. It's huge. www.tamu-commerce.edu/coas/history/sarantakes/stuff.html

► Thanks to the Web, the world is watching — itself. Earthshots offers an archive of Landsat satellite data demonstrating our planet's environmental changes. edcwww.cr.usgs.gov/Earthshots

► Finding a lawyer takes more than just letting your fingers do the walking. Get guidance from West's Legal Directory. www.wld.com/ldhire.htm

► About to relocate? Take an on-line detour. First Relocation Central is organized by city and categories of interest. www.relocationcentral.com
